POMEROY. MEIGS COUNTY, OHIO, TUESDAY, MARCH 13, 1860.

VOLUME III.

BE KIND TO THE LOVED ONES

Be kind to thy father, for when thou wert young Who leved thee so fondly as he? [tongue, He caught the first accent that fell from thy And joined in thy innocent glee.

Moetry.

Be kind to thy father, for now he is old, His locks intermingled with gray; His footsteps are feeble, once fearless and bold-Thy father is passing away.

Be kind to thy mother, for low on her brow May traces of sorrow be seen; Ohl well may thou cherish her now, For loving and kind hath she been. Be kind to thy mother, for you she will pra-As long as God giveth her breath;

With accents of kindness then cheer Even to the dark valley of death. Be kind to thy brother, for his heart will brave If the smile from thy lips be withdrawn; The flower of feeling will die at their birth,

If the dew of affection be gone. Be kind to thy brother wherever you are, The love of a brother will be An ornament purer and richer by far,

Than pearls from the depth of the sea. Be kind to thy sister, not many doth know The depth of true sisterly love, The wealth of the ocean lies fathoms below The surface that sparkles above.

Be kind to thy father, once fearless and bol Be kind to thy mother, so near, [cold, Be kind to thy brother, don't think thy heart Be kind to thy sister, so dear.

Miscellann From Owen's "Footfalls."

THE RESCUE. A THUE STORY OF THE SUPERNATURAL.

Mr. Robert Bruce eiginally descend-ded from some branch of the Scottish family of that name, was born, in hum-ble circumstances, about the close of the last century, at Torbay, in the South of England, and there bred up to a seafar-

When about thirty years of age, to wit, in the year 1828, he was first mate of a bark trading between Liverpool and

MATRIMONIAL ADVERTISEMENT INTERESTING TO FARMERS' WIVES As a general rule, it is most economcal to buy the best articles. The price Charleston Mercury, tells the following is, of course, always a little higher; but good articles spend best. It is a sacrifice of money to buy poor flour, meat, sugar, molasses, butter, cheese, lard, etc. to say nothing of the injurious effect

upon health.

year old is best. Rich cheese feels softer under the pressure of the finger. That which is up in a bag that will not admit flies, and pears on it, wipe it off with a dry cloth Flour and meal of all kinds should be

kept in a cool, dry place. tle black insects inside the kernels. To select nutmegs, prick them with a pin. If they are good, the oil will in-

stantly spread around the puncture. Keep coffee by itself, as its odor affects other articles. Keep tea in a close chest Oranges and lemons keep best wrapped close in soft paper, and laid in a drawer

Soft soap should be kept in a dry place in the cellar, and should not be used until three months old. To thaw frozen potatoes, put them in long after being frozen .- Housekaeper's

Coal Ashes as a Fertilizer. Wm. Leonard, of South Groton, Mass., not having voted for Fillmore the last man; with a single bound he planted his gives the following statement in the New dangerous left upon the black muzzle of England Parmer, of his experience with

of public feeling against the slave power stride he had gained the door of the run down, we top-dressed a square piece tion of Newfoundland, the Captain and matter had been on deck at noon, taking an observation of the sun; and the abscended to calculate that they both descended to calculate that they both descended to calculate that they been on the both descended to calculate that they been on the both descended to calculate that they been on the both descended to calculate that they been on the both descended to calculate that they been on the sun; and the oil is leaking out.

The great center of the oil is leaking out.

If the outsiders will vote with us for our they were shipmates is, that he continued to redit, and let they were shipmates is, that he continued to redit, and let they were shipmates is, that he continued to redit, and let they were shipmates is, that he continued to redit, and let they were shipmates is, that he continued to redit, and let they were shipmates is, that he continued to redit, and let they were shipmates is, that he continued to redit they were shipmates is, that he continued to redit they were shipmates is, that he continued to redit they were shipmates is, that he continued to redit they were shipmates is, that he continued to redit they were shipmates is, that he continued to redit they were shipmates is, that he continued to redit they were shipmates is, that he continued to redit they were shipmates is, that he continued to redit they were shipmates is, that he continued to redit they were shipmates is, that he continued to redit they were shipmates is, that he continued to redit they were shipmates is, that he continued to redit they with clear coal ashes.

It also becomes necessary for the men, give them all due credit, and let they were shipmates is, that he continued to redot they were shipmates is, that he continued to redot they were shipmates is, that he continued to redot they were shipmates in the calculate that they were shipmates is so much higher than it was a discovery.
